Copy of European Patent Office Communication dated October 15, 2004; and EPO Supplementary Search Report for Application No. EP 00 95 2727, Dated: 10-15-2004, issued by the European Patent Office (4 pages.)

Applicant understands from the EPO Search report that the EPO Application No. EP 0 950 968 A1 is an English version of WO99/09502. WO99/09502 was submitted in a prior Information Disclosure Statement dated April 15, 2005.

Applicant respectfully requests that the Examiner consider the above-listed patents in the examination of this application and list these references of record in the application.

The cited document(s) disclose numerous specific features. There has been no attempt to list each and every feature disclosed by each document. The Examiner is requested to review the document(s) and determine the extent of the materiality of the document disclosures with respect to the present invention.

The citation of any document(s) herein is not to be construed as an admission that the document is necessarily within the invention field of endeavor, that the art or document disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that the document is otherwise necessarily prior art as defined by the patent law with respect to the instant invention and application.

Also, there is reserved the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosures of document(s) recited herein, that may be cited by the Examiner in rejecting a claim in the instant patent application. The recitation herein of the art and document(s) is not to be construed as an assertion that more pertinent art could not possibly be in existence.

Respectfully submitted,
WELSH & KATZ, LTD.
